ALMA MATER

Waxahachie hail to thee,
We will ever loyal be.

As we loud thy praises tell,
Noble school we love so well.

Green and white our banners fly,
Raise them proudly to the sky,
Glorious mem'ries never die.

Hail to thee, hail to thee,
Waxahachie High.

Waxahachie Runs To 25-0 Victory

By MIKE MADIGAN
News Staff Writer

LANCASTER, Texas — The undefeated Waxahachie Indians blanked the winless Lancaster Tigers, 25-0, here Friday night. The Tigers camped around the Indians end zone enough times to even the score, but the Indians defense gripped Lancaster to a slow stride.

Waxahachie's first 6 came when HB Don Stinson waded into the end zone from the Tiger 15 on a 4th down and 4 situation. The kick by Bruce Owens was blocked.

By RANDY GALLOWAY

WAXAHACHIE, Texas — The final chapter in the remarkable coaching career of J. W. Williams is being written this season, and the veteran Waxahachie mentor will go out as he came in 16 years ago—a winner.

When it's all over this season, Williams will trade his seat on the bench, where he has directed basketball traffic since 1952, for the somewhat softer position of assistant principal.

J. W. Williams . . . calling it quits.

AND GONE from the hardwoods will be a man who has become a legend in Ellis County, a man who built the Waxahachie Indians into one of the state's all-time cage powerhouses.

The success formula?

"I've been asked that many times and I wish I knew the real answer," grinned Williams. "But I guess we've jut sold the boys on the idea that if you work hard enough at something, you can be successful.

"Some people also say I'm a strict disciplinarian. I don't know about that, but I do know that our kids are always in top condition."

He has held the combination job of assistant principal and basketball coach for two years "and I've known for quite a while that I would have to choose between them," said Williams. But choosing jobs has been a problem, almost since his first year as Indian head coach.

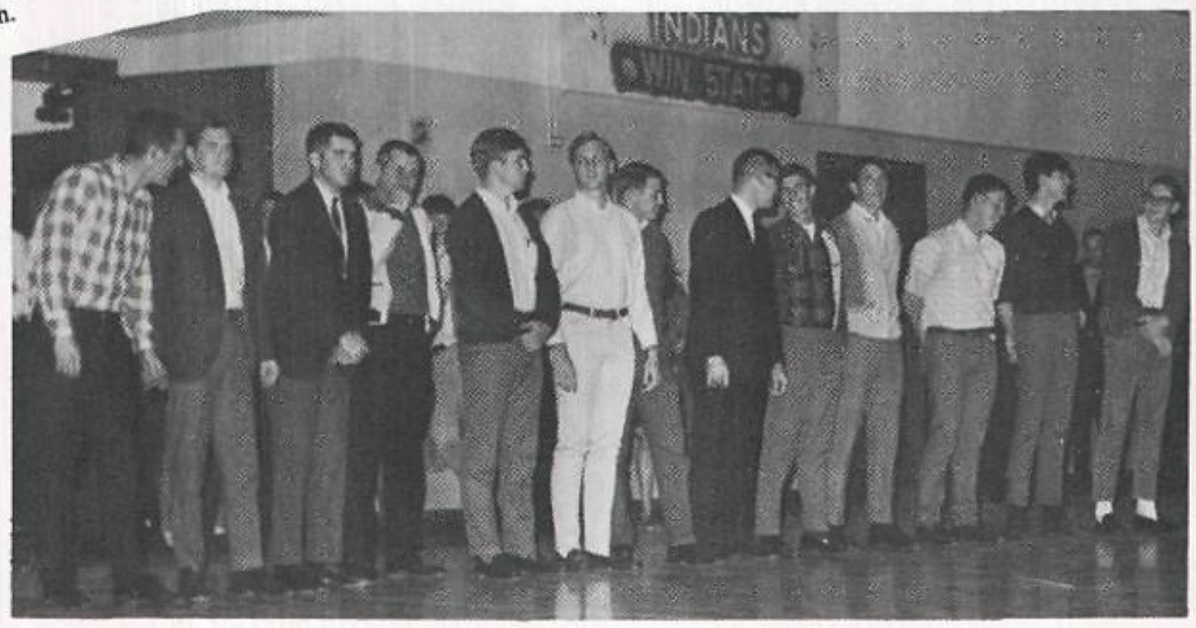
ATTRACTIVE OFFERS from other schools, both high school and college, have poured in at such a rate that "I've lost count," said Williams.

He turned them all down to remain in Waxahachie, mainly because he's a native of Ellis County and his family ties are there.

"That, plus the fact that this is a wonderful community to live in," he said.

Why has Williams been such a hot item on the coaching market? His record answers clearly. In 16 years he has won or shared 14 district titles, has been to Austin and the state tournament five times, winning it once (1958) and finishing as runner-up in '62 and '65.

A grateful community honors Mr. and Mrs. Williams. (Waxahachie-Terrell game.)



Ex-Indians join-in in the tribute.

Acknowledgement

As The Chief nears 'the end of the trail' (and we come to the end of the book), we have the pleasant task of acknowledging our indebtedness to many persons, since many hands, minds, and hearts were involved in the producing of this yearbook.

To single out our indebtedness, we wish to first thank our very generous Advertisers, and the several hundred students who subscribed to the '68 Chief. Without their patronage this book would not have been possible.

We wish to express our indebtedness to the MORELAND HERRING STUDIO for the many, many professional photos done by that studio. We wish to thank TOMMY WEBB for taking the Freshmen and Sophomore class pictures, and to acknowledge our appreciation for the several photos brought to us from the WRIGHT STUDIO.

We wish to also express our appreciaton to our Advisor, and the WHS Faculty and Administration, for their assistance.

The publisher of our yearbook is the HURLEY YEARBOOK COMPANY of Camden, Arkansas. MRS. FORREST UPSHAW is the publishing company's gracious and helpful representative.

In closing, we wish to express our hope that this '68 Chief will not only prove entertaining, but that it will be worthy in the manner that it represents our School and Community.

Goodbye for now; best wishes always,

DEBBIE and THE STAFF
